**LETTER RE FRENCH AND GERMAN CITATIONS**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Attached to the Office Action of May 12, 2006 was a form PTO/SB/08a/b which Applicants had filed as part of an Information Disclosure which was filed on August 16, 2005. The Examiner had initialed most of the citations on the SB08. However, two of the citations were not initialed, and the Examiner indicated that no English-language texts were supplied. An English-language International Search Report (ISR), however, had been supplied.

One of the citations in question was DE 101 57 995 A1. The ISR cited that document as category "A" – document defining the general state of the art which is not considered to be of particular relevance. An English-language abstract of DE 101 57 995 A1 is enclosed herewith for the convenience of the Examiner.

The other citation was FR 648,021. The ISR cited that document as category "X" – document of particular relevance; the claimed invention cannot be considered novel or cannot be considered to involve an inventive step when the document is taken alone. A full translation of FR 648,021 is enclosed for the convenience of the Examiner.

The Examiner is respectfully requested to consider both of these previously cited documents, and to return to Applicants the enclosed copy of the Aug 16 2005 PTO/SB/08a/b, initialed to confirm their consideration.

The Examiner is invited to telephone Richard Gallagher (Reg. No. 28,781), at (703) 205-8008, with any questions concerning this application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37.C.F.R. §§1.16 or 1.14; particularly, extension of time fees.

Dated: August 22, 2006

Respectfully submitted,

By  #28,781
